ORAL AND PHYSICAL HEALTH REQUIREMENTS FOR 12th GRADE 2022-2023

With the upcoming 2022-2023 school year, any Pocahontas County student entering the 12th grade will be required to provide proof of a health examination/physical and proof of a dental examination by a licensed dentist.

In order to begin school in the fall of 2022, all 12th grade students must complete the WEST VIRGINIA STATE REQUIREMENTS FOR SCHOOL ENTRY. Please make an appointment with your child's doctor and dentist as soon as possible. Once the exams are complete, provide copies of the exam records to the school nurse.

We can accept exams done in the past but they cannot be over one year old. If it has been greater than 1 year since the last visit, a new exam will need to be completed.

All students entering the 12th grade will also have to show proof of immunizations for the meningococcal and Tdap vaccines. Proof of these immunizations must be received prior to the first day of school or student will not be able to attend.

Please contact your child's school and ask to speak with the nurse if you have any questions.

Sincerely,

Jenny Friel, BSN RN, CSN
